For that matter, we are all laboring men.

The Standard Oil company is fluttering like a badly hit bird.

"Spotter" Wilson's \$30,000 damages at the hands of Percival W. Clement dwindled to a mere \$1,000, but Wilson pops up with the assertion that he was "vindicated." There is always a lot of satisfaction in "vindication."

## F. G. HOWLAND FOR SENATOR.

It is a generally conceded point that Barre is entitled to one of the state senators from Washington county this year, and for this office The Times presents the name of F. G. Howland, cashier of the National Bank of Barre, and treasurer of the Barre Savings Bank & Trust Co. Mr. Howland is not without legislative experience, having served Barre one term as representative, a position which he filled with credit to himself and the town he represented, and The Times believes he would do honor to the county if elected to the Senate. He has signified his willingness to accept the position, and Barre should send a strong delegation to the county convention in his favor.

## FATAL ACCIDENTS BY AUTOMOBILES.

An enthusiastic automobilist, who has a mind with a leaning toward statistics as well as wheels, calls the attention of the Middlebury Register, which is first cousin to the Morgan horse register, to the fact that the noble equine was responsible for the deaths of 15 people in Vermont last year, while the only two fatalities in any way related to the automobile happened at Pike's crossing in this village and the victims were occupants of a wrecked touring car.—Bennington Banner.

The noble equine certainly does come out second best to the automobile in Vermont and the proportion of automobile fatalities is smaller here than in most places. The Bennington accident, too, has no real place in the making-up of statistics of accidents for which automobiles are responsible. In this case

We are extremely pleased to be able to report that our young friend, Robert Farquharson, has been promoted to first lieutenant in the marine corps. Robby is one of those boys that we will always have reason to be proud of. He has got the right stuff in him, and is bound to make his mark.

The officers and members of the First Presbyterian church held a meeting on Thursday evening of last week and voted to raise the vestry and turn it over to the vestry and put it in good repair. The Pomeroy Brothers are at Havenhill taking down the shop and getting things ready to be shipped here, and the plant will be equipped in apple pie order as soon as it arrives. This company is putting out lots of money this spring in opening a new quarry and remodeling their plant here and they are wide awake, enterprising fellows and we hope to see them prosperous in their enterprise.

Mrs. William Terry was called to Tilton, N. H., last Thursday forenoon to see her sister, Mrs. H. E. Wilkins, who had been critically ill for several months. Mrs. Wilkins passed away at one o'clock Friday afternoon. Mrs. Terry had spent several weeks with her sister during her illness, having come from there only last Monday with no hope at that time of her recovery. Her trouble was of a cancerous nature and she was a great sufferer for weeks. Funeral Monday at her late home. She leaves her husband and one daughter, 24 years old.
